

## InsuGel One jednoskładnikowy żel izolacyjny 300ml

---

|                          |                           |
|--------------------------|---------------------------|
| SKU                      | MBG0002G24                |
| EAN                      | 4744397031471             |
| Autoignition temperature | > 400 °C                  |
| Dielectric constant      | < 5                       |
| Dielectric strength      | > 23 kv/mm                |
| Hardness (shore a)       | 23 °C gel                 |
| Linear shrinkage         | 23 °C / 0%                |
| Penetration degree       | 23 °C / 200mm             |
| Thermal conductivity     | < 0,2 w/mk                |
| Volume resistivity       | > 2x10 <sup>15</sup> ωxcm |
| Temperatura pracy (°C)   | -60 °C to 200 °C          |
